Hi Sharon- you have not. We are trying to sort out dates in our end that work. I am waiting to hear back from Todd Hooker and the Army Corp. I will revert as soon as we determine everyone's availability.

Thanks
Lisa

Hi Lisa,
I don't think I heard back from you about a date for the "upgradient" parties to meet separately with EPA. I had proposed the first week of November. Does that work for you? We may also have some availability next week. Let me know.
Sharon

Hi Lisa,
Thanks for getting back to me. Let's plan for the big group to meet on the 12th. Will you let them know or would you like me to send an email to the group? If you let them know, will you find out how many people will be coming because I will need to reserve a conference room asap. Thanks.

Also, would you, Todd, and the Federal government folks be available for a meeting the first week of November? We are pretty with the exception of 11/6 in the afternoon. Let me know what day/time works for you.

Thanks.
Sharon

Sharon –
It appears that there are multiple conflicts amongst the group on the proposed dates, but most are available on November 12. Is that a possible date for EPA?
Best,
Lisa
